

**TDX Quality, LLC (TDXQ)** is a full-service contractor that specializes in design-build and general construction. From new construction to renovation and rehabilitation projects, the TDXQ group serves clients throughout the United States. TDXQ has been in operation since 2013, and is a certified participant under the U.S. Small Business Administration's 8(a) business development program.

TDXQ believes in and operates in a true, Teaming mentality with all of our clients, providing successful projects for all parties. If it's not a success for our clients, it's not a success for TDXQ.

## Advantages of Working with an 8(a)

Contracting with an Alaska Native Corporation subsidiary under the Small Business Administration's 8(a) Business Development program can provide your agency with contracting solutions using proven companies with solid financial backing.

- Alaska Native Corporations are deemed to be socially and economically disadvantaged;
- An Agency may propose a specific 8(a) firm for a direct award. FAR 19.803(c);
- ANC-owned 8(a) firms are eligible to receive 8(a) direct award contracts above the competitive threshold. 13 CFR 124.506(b)(1);
- There is no requirement that a procurement must be competed whenever possible before it can be accepted on a sole source basis for an ANC-owned concern. 13 CFR 124.506 (b)(3);
- Sole-source award procurements to ANC-owned 8(a) firms may not be protested. 13 CFR 124.517(a);
- An 8(a) concern may continue to accept new orders under a multiple award contract even after the firm's program term expires, the firm exits the 8(a) program, or the firm becomes other than small for the NAICS code assigned under the contract. FAR 19.804-6(c).
